
Railway Rivals Togo and Benin Map

This map was designed by Jim Reader with considerable help from Richard Smith and Bob Gingell in 2025. Railway Rivals is a game published by Rostherne Games. Togo and Benin have improving relations but have not always been peaceful neighbors. The cost for crossing the border between these countries is 4 in rounds 1 – 3 (pre-WW I), 2 in rounds 4 – 6 (post war rail expansion) and 1 in rounds 7 – 9 (post WW II). These are paid from the player's bank. There is also a 1 pip administration cost. The round 7 – 9 costs apply to both racing and building.
